

Innovating business, one dream at a time.

Rocket City Innovator

A non-profit catered to business innovation.

OUR WHY

OUR MISSION. Empower entrepreneurs with the resources, support, and connections they need to realize their dreams.

OUR VISION. Establish a thriving, interconnected business community where every entrepreneur has the opportunity to flourish, creating a ripple effect of innovation, collaboration, and prosperity in Huntsville, Alabama, and beyond

OUR STORY. Founded by two visionary minority women, Shana and Jamelia, Rocket City Innovator was born from a deep desire to help others turn their aspirations into reality, allowing them to live life on their terms. Our tagline, "Innovating businesses, one dream at a time," encapsulates our dedication to fostering innovation and supporting individuals in their entrepreneurial journeys.

THE NEED

Our non-profit contributes to building a culture of entrepreneurship in Huntsville. This culture can have a ripple effect, encouraging future generations to embrace innovation and take risks. By fostering connections between participants, mentors, local businesses, and the community at large, the programs create a supportive network that can have long-lasting positive effects.

OUR PROGRAMS

YOUTH ENTREPRENEURSHIP

The Empowering Tomorrow's Innovators Program is our youth entrepreneurship program designed to inspire and equip young minds aged 12 to 18 with the knowledge and skills they need to start their own businesses. We offer workshops, mentorship, and hands-on experiences to foster the next generation of innovators.

BUSINESS INCUBATOR

The Nurturing Business Growth Program is Rocket City Innovator's business incubator program providing emerging business owners with a supportive environment to nurture their startups. Through this initiative, entrepreneurs gain access to workspace, mentorship, networking opportunities, and resources to accelerate their ventures.

CULINARY ENTREPRENEURSHIP

The Cultivating Culinary Excellence Program is for aspiring chefs and culinary enthusiasts. Our culinary entrepreneurship program offers training, guidance, and resources to help them succeed in the culinary world. From culinary skills to business management, we provide a comprehensive platform for culinary entrepreneurs to thrive.
